Ms. Corina Taguinod
Board of Directors
LB Charitable Foundation

Dear Ms. Taguinod,

It was a pleasure to meet you and the other members of the LB Charitable Foundation Board of Directors today and to show you a little bit of the behind the scenes operation that the LB Charitable Foundation's generosity will help to support. This grant of [redacted] will provide as many as 40,000 meals and will help turn hunger into hope for children, seniors and families in the communities we serve who may not know when or how they will receive their next meal.

Your generosity will help us expand our services to provide for the increasing number of people who are turning to us for relief. Your support helps many of our recipients break a cycle of poverty. For others, it helps them through an emergency need for support when an unexpected financial crisis arises.

I am pleased to share some current information on our response to the COVID-19 pandemic. With the philanthropic support from you and our thousands of other donors and volunteers, we are prepared to continue to help our community. We have split our kitchen staff in two physically separate buildings to mitigate the possibility of an infection requiring us to quarantine the full kitchen staff. We also have stored two weeks of frozen meals for our Meals on Wheels recipients in the event we do have to close. We have instituted appropriate social distancing techniques and sanitizing of frequently used surfaces to keep our staff and volunteers safe. Above all, we remain committed to serving the increasing number of our Central Virginia neighbors in need of supplemental food.

With your help, we will continue to make great strides in turning hunger into sustenance for our neighbors in need, hope for our community, and promise for our future. Again, on behalf of the thousands of hungry neighbors we are able to serve, thank you. I hope you, your family, friends, and colleagues remain safe and healthy.

Sincerely yours,

Mary Samsell
Director of Grants Management

Please share our gratitude with the family and everyone at the foundation!
