Re: Notification of Receipt & Gratitude

To the LB Charitable Foundation,

We write this letter as our official notification of receipt of your generous and timely grant in the amount of \$ [REDACTED] and your continued partnership with our ministry. We are humbled and honored to have begun this new partnership with LBCF and we pray God's continued blessings and expansion in impacting the lost and hurting through your work. As we continue to minister to those who are struggling with loss, it is partnerships like these that help so many families that might not ever come into a church building so thank you from the bottom of our hearts for this tremendous blessing. This gift will go a long way in helping us continue to provide food, clothing and resources to families who have lost jobs as well as helping us continue our support for those struggling with depression, anxiety, and suicidal thoughts during the pandemic. Your gift will also give us the opportunity to reach many children in our community through after-school programs like Blast and outreaches like Back-to-School Backpack giveaways.

We are a church committed to our community experiencing Christ's love in tangible ways wherever and however they need it most and our partnership with you is making this possible. Jesus says in Matthew 25:40, "*truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.*" So we are eternally grateful for your reward in heaven as well as your role in our mission of reaching the lost with the good news of Jesus Christ locally and around the world.

Our hope and prayer is that you too would feel the joyous satisfaction and reap the eternal reward that comes from the many lives that will be impacted and blessed by this gift to your own credit and glory before God, our Father.

Thank you again on behalf of Love of Christ Fellowship Church Board, pastoral team, and church family.

In Christ Love,

Arthur Benjamin
