Dear Ms. Pangilinan,

We are so grateful for your contribution of \$ [REDACTED] received on November 16, 2020, to support the animals we serve at San Diego Humane Society. As requested, your donation will be allocated specifically for our Veterinary Medicine Department.

Every one of the animals to come through our doors this year will be impacted by our Veterinary Medicine Department in some way. In addition to basic medical procedures, our highly skilled veterinarians provide life-saving specialized surgeries, progressive treatments and rehabilitation services that help us to be at the forefront of San Diego County's efforts of maintaining zero euthanasia of treatable animals. On behalf of the many lives who will be touched by your kindness, thank you.

To learn more about the positive impact of your support, our programs, upcoming special events and so much more, please visit our website at sdhumane.org. If you have any questions about your gift or our work, please feel free to contact our office at 619-243-3434.

From all of your friends at San Diego Humane, thank you for your continued support!

With gratitude,
